LED UFO HIGHBAY LIGHT – 200W (IP65)

Model No : CH-UFO-200W-S6

Specifications

Part Number	LP315-200U
Power (W)	200 Watts
Voltage (V)	AC 90-265V
Color	White
Color Temperature	5700K
Dimensions (mm)	Ø332x31.8
Body Color	Black
Body Material	Aluminium Housing + PC Diffuser
Lumens	20,000LM
LED Quantity	288 Pcs
Beam Angle	90°
IP Grade	IP65
Working Environment	-20°C~50°C
Working Humidity	10% - 80%

Applications

- Warehouses
- Showrooms
- Construction Areas
- Garages
- Car Parks and Underpasses
- Industries etc

- **Features**
  - Energy Savings upto 90% Compared to Halogen Highbay Lights
  - Optimized Weight and Size due to Compact Design
  - Very Homogenous Light
  - Less power consumption than traditional light sources
  - High Energy Efficiency
  - Quick Start
  - Excellent Lumens Output
  - Excellent Heat Dissipation
  - Long Life Span
  - Easy Installation
  - No UV, IV Mercury and other Harmful Materials
  - Easy to Maintain
  - Unique Design
